AGENDA | NEWS

We're always happy to find an excuse to visit one of our favourite hideaways in the Maldives, and this month we think we have the perfect reason to take a trip to Baros: it's just added private infinity pools to five of its beautiful beach villas, meaning there's now ten of these stunning properties to book into. We'll see you at the airport, then. www.baros.com

CITY SLICKERS

There's an abundance of travel guides to well known cities for sale, which is why Louis Vuitton's city guides – out this month – are refreshingly different. This boxed collection includes insider tips for visitors to places like Nara in Japan and England's Oxford. www.louisvuitton.com
