

## **Season's Festivities Entrancing Moments at Baros**

For the Festive Season this year, we are creating “Entrancing Moments at Baros” through a beguiling combination of traditional festivities and contemporary celebrations.

We have planned a Calendar of Festivities to charm you with the magic of Baros, featuring memorable events every day from 22 December 2018 to 2 January 2019.

The Festivities include evening celebrations, enjoying the company of new friends, sampling Festive Season drinks, dancing under the stars to the music of local musicians and special castaway ‘pirate’ pop-up dinners on the sandbank. Exciting dining adventures await as we take you around the globe with special Japanese menus paired with Sake, a French wine-paired dinner on our Sandbank and Tastes of Asia in the Palm Garden.

You can learn our best kept spa secrets from demonstrations at Serenity Spa and help the environment by sponsoring the planting of a sprig of coral to be nurtured on our beautiful House Reef.

As our beloved Baros celebrates 45 years since opening on 3 December 1973, we will celebrate this milestone with a special anniversary cocktail party during the Festive Season.

This December we are celebrating the final touches to enhancements at Baros. Our Water Villas, Baros Pool Villas, and Deluxe Villas have all been upgraded with new furniture, bright colours and high-quality materials to enhance guest comfort and elevate each Villa’s elegant style.

Baros Dining Experiences are more memorable than ever, following new designs to the Sails Bar and the lagoon-side Cayenne Restaurant. In addition we have refined our guest loyalty programme ‘Baros Elite.’ This is exclusive for our returning guests with rewards such as free nights, Spa credits, complimentary dinners, and other loyalty discounts.

Most notable of all, we are delighted to introduce our newest enhancement, the Baros Suites, a new category of stand-alone Villas that offer a haven of privacy and seclusion. Each Baros Suite has a modern, luxurious living space as well as a 19ft by 10ft swimming pool, a hot and cold water Jacuzzi and a secluded gazebo that features a swing seat with a view of the ocean stretching to the horizon.

This Festive Season will be truly magical at Baros and, as this spirit emanates from our marvellous guests, we look forward to creating entrancing moments and memories that will last a lifetime.

Season's Greetings from all of us at Baros.
