RECONNECT AT BAROS FOR THIS YEAR'S FESTIVE SEASON

As this unprecedented and challenging year comes to an end, Baros Maldives invites guests to celebrate this festive time on a sublime tropical island. At Baros, guests can reconnect to the simplicity of enjoying time with loved ones while experiencing the essence and serenity of island life.

Baros is a true Maldivian legend. As one of the first resorts to open in the Maldives, Baros reflects over 40 years of refinement offering heartfelt hospitality in an authentic island atmosphere. Celebrations for this year's Festive Season will revolve around reconnecting, comfort and simplicity, with a focus on special events and superb yet relaxing culinary highlights. On the blissful island of Baros, guests will find time and inspiration to reconnect to what matters most.

Guests are invited to choose how they want to spend the Festive Days on Baros as they are encouraged to create their own personal itinerary. From private luxury sunset cruises on a traditional Maldivian Dhoni to exciting house reef exploration, and from exclusive moments together as a couple or family on a secluded sandbank to an adventurous expedition fishing for dinner and preparing the catch on an open fire for an Ocean-to-Table BBQ.

As recent months have been exhausting for body and mind, Baros has created A Unique Spa Celebration. This focuses on inner recovery and the harmonisation of energy flow. The varied options of the holistic spa treatments are curated to inspire guests to feel relaxed, rejuvenated and restored. This helps to start the New Year afresh, leaving the hardship and challenges of 2020 far behind.

The resort will showcase superb culinary excellence for Christmas and New Year in the beautiful natural surroundings of the island's Palm Garden. Guests who would like to elevate their festive dining experience, can treat themselves to a special gourmet dinner at the famous Lighthouse Restaurant, in a spectacular setting above the sparkling lagoon.
