## BAROS MALDIVES ANNOUNCES RE-OPENING

*Baros Maldives is to re-open for guests on 1 October 2020 with special offers and a unique tribute to Front line health care workers.*

Guests who stay at Baros this year will be entitled to a special rate. In addition, all guests who stay during October and November 2020 will be invited to enjoy some special treats to make sure their holiday is filled with spellbinding experiences and blissful moments to remember.

### *For Body and Mind*

Guests will receive an exclusive Champagne Breakfast in the sanctuary of their private villa while the soothing sound of the waves and warm breeze from the ocean complete the scene, creating a truly beautiful memory of an extraordinary culinary experience. This enchanting start to the day on the tropical island of Baros will magically soothe the cares of the uncertain times of the last few months.

As beautiful and bountiful are the natural surroundings of Baros, the more it means to give back and to help maintain and support the incredible underwater world. To help, Baros will sponsor a Coral Frame in the name of every guest staying between October and November 2020. This will be placed in the translucent lagoon ringing the resort. Guests will receive regular updates on the progress of their Coral Frame and will be able to get to know the inhabitants of their own little coral garden during subsequent visits.

### *Celebrating Heroes*

In gratitude to guests who worked as health care workers during the COVID-19 pandemic, Baros will reward them with the extra benefits of a complimentary couples massage at the island's Serenity Spa, a private dinner for two on the beach, champagne upon arrival, and a choice of a free scheduled excursion with social distancing observed.

To commemorate the selfless dedication of health care workers, Baros is creating coral frames spelling out "THANK YOU, HEROES." These will be placed in the waters of the island's lagoon so that the message of thanks will be permanent.

The Resort Manager of Baros, Ibrahim Shijah, said that in spite of the unprecedented times the world has faced, Baros hopes to keep the positive consequences of the pandemic, of compassion, unity and kindness, remembered by this tribute.
