## Baros Maldives Acclaimed World's Top Luxury Hotel

Baros has been voted the world's Top Luxury Hotel by the world's largest travel site, TripAdvisor. In the latest annual Travelers' Choice Awards, Baros beat some of the world's most famous luxury hotels to the Number One position.

In addition, the popular island resort was acclaimed among the world's top 25 hotels for romance and in the top 25 of all hotels in Asia as well as in the world. Baros won more Travelers' Choice Awards by TripAdvisor in the Maldives than any other resort and is the only Maldives resort to be listed in the top 25 hotels of the world this year.

Travelers' Choice awards are the highest recognition granted by the TripAdvisor website. Unlike other hospitality industry awards, Travelers' Choice winners are determined by guests posting reviews on the website based on their personal experience of a hotel.

Baros has often been among the Top 25, but this is the first time the resort has topped the Luxury Hotel category as well as being featured in the Top 25 in three other categories.

Resort Manager of Baros, Ibrahim Shijah, expressed gratitude on behalf of all those at Baros for this recognition by guests. "We sincerely appreciate this honour, especially as we are about to welcome guests back to Baros from October 1<sup>st</sup>, to experience our legendary hospitality and service, and superb accommodation."
