**Private Dolphin Cruise**

Imagine the excitement of watching a host of dolphins leaping from the sea in energetic bounds just a few feet in front away from you. Did you know that Maldives ranks among the top five places on Earth for watching whales and dolphins? Over 20 different whale and dolphin species can be seen in the Maldives. They have a regular daily routine to their lives, feeding offshore at night, coming into the atolls in the early morning, and leaving again for the open ocean in the late afternoon. This dependable schedule means that it is very easy to find Spinner Dolphins at certain times.
